66th Street Closed South of La Vista Sports Complex

The City of La Vista has received notification that Sarpy County has closed the bridge on 66th Street north of Giles Road.

The bridge has weakened significantly as the result of higher than usual levels on the Papio Creek.

This closure limits access to the La Vista Sports Complex, which is located between Harrison and Giles on 66th Street.

Those heading to the SlumpBuster Festival at the La Vista Sports Complex should access the area via Harrison Street.

Crews are currently assessing the situation and at this time there is no estimate as to the damage or when it could be repaired and open to traffic.
