## **Pedestrian Overpass Painting Project Extended**

The pedestrian overpass painting project at 72<sup>nd</sup> Street and James Avenue has been delayed due to unfavorable weather conditions and work on the project is expected to last through July 22.

Throughout this project, traffic on 72<sup>nd</sup> Street may be restricted to one lane in each direction, except during mornings and evenings on weekdays, when all lanes will be available for rush hour traffic.

On July 13-15, 72<sup>nd</sup> Street will be closed to all traffic from 9 p.m. to 6 a.m. from the north side of Park View Boulevard to the south side of Josephine Street. This schedule may have to be further adjusted if weather conditions continue to prevent painting in the overnight hours.
