Pavement Repairs to Close 84th Street Northbound This Morning

La Vista Public Works crews are working this morning to perform emergency pavement repairs to 84th Street just north of Park View Boulevard.

Northbound 84th Street traffic will be closed until the repairs are complete, which is expected around noon today. Traffic will be rerouted toward Harrison Street via 78th Street.

Permanent repairs to 84th Street will be made one lane at a time later this week and into next week.
