## **Spread the Warmth Coat Drive Begins Today**

La Vista's annual coat drive, Spread the Warmth, kicks off today with several locations throughout the community accepting donations.

The coat drive has grown considerably since its inception in 2005 and it has become a community-wide effort with support from churches, local clubs and businesses.

Coats collected during this year's drive will be given to La Vista families through Heartland Family Service. Donations of hats and mittens are also welcome.

Heartland staff will work with families, focusing first on those living in La Vista with the greatest need.

Donations can be dropped off at the following locations: City Hall/Community Center, Library, Police Department, Beautiful Savior Lutheran, Faith Presbyterian or Harrison Street Baptist churches.

For more information on the coat drive, visit the City's website, [www.cityoflavista.org/spreadthewarmth](http://www.cityoflavista.org/spreadthewarmth).
