## FootGolf Kick-Off Scheduled for Today

The metro area's newest sport is ready to kick-off!

La Vista Falls Golf Course is now offering FootGolf, which is a combination of the popular sports of soccer and golf. The game is played with a regulation #5 soccer ball on the golf course on shortened holes. The rules largely correspond to the rules of golf. Soccer cleats are not permitted on the course – indoor soccer shoes are recommended.

**A FootGolf kick-off event is scheduled for Friday, May 8, beginning at 6 p.m. at La Vista Falls. All who attend will be able to play for free.**

La Vista Falls staff has been working the past few weeks to position and install the holes and get the course ready for play.

FootGolf will be available at La Vista Falls Mondays and Wednesdays 1-4 p.m. and Sundays from 5 p.m. to dark. The course will be open to regular golf activities all other times.

Greens fees for FootGolf are \$11 for adults, \$8.50 for children and you can rent a soccer ball for \$3, or you can bring your own.
