La Vista Click It or Ticket Results

The La Vista Police Department recently concluded a special enforcement campaign targeting safety belt and child restraint violations.

The Click It or Ticket operation concluded May 31 and involved a total of 36 hours worked by officers, during which time a total of 92 traffic contacts were made, three citations were issued for safety belt violations and one citation issues for child restraint violation. During the operation the department recorded a rise in seatbelt usage from 83 percent to 85 percent based on pre- and post-operation surveys.

The enforcement campaign was designed to enhance motorist's awareness of safety belt and child restraint laws. The additional patrols were funded through a grant from the Nebraska Office of Highway Safety.
