La Vista Tree Lighting Celebration Scheduled for Tomorrow, December 3

The City of La Vista's Tree Lighting Celebration is scheduled to take place Thursday, December 3, beginning at 5:45 p.m. at City Hall and the Community Center.

The event was postponed from Monday when a forecast for significant freezing rain and snow posed a safety risk to eventgoers.

Students from La Vista Junior High will perform outside by the tree beginning at 5:45 p.m. and Santa will arrive at 6 p.m. to unveil the carving made out of the tree cut down this fall and to light the new tree.

Following the tree lighting, those in attendance are invited inside the Community Center for soup and chili, holiday entertainment and visits with Santa in his workshop.

The City will also be distributing commemorative ornaments made from the branches of the tree cut down this fall. To allow as many households as possible to enjoy these ornaments, we are asking only one per family at the event.

For more information on the event, visit the City's website, www.cityoflavista.org/2015events.
