La Vista & Papillion Police Citizen's Police Academy Scenario Night

The La Vista and Papillion Police Departments Citizen's Policy Academy students will participate in a variety of simulations and role-playing scenarios on Tuesday May 10 from 6:30 p.m. to 8:30 p.m. at Papillion Fire Station 1. The scenarios will be coordinated by certified police officers and instructors from both La Vista and Papillion Police Departments.

The goal will be to expose the participating citizens to the challenges and dangers police officers face each and every shift, an opportunity to look "behind the badge".

Local media partners are welcomed to attend. If you'd like to send a camera or reporter please contact Officer Jamie Brown, at 402-331-1582 or jbrown@cityoflavista.org in advance for details on a meeting location.
