Agenda Item #8: New Business

- a. Teen Programming Division Discussion: middle or tweens and high school students. Jodi Notron, Assistant Library Director and Children Services Librarian, reported on her findings of tween programming. It was her recommendation to have a tween program with two options concerning current staffing: 1) to have Teen Coordinator, Lindsey Tomsu, manage this program. Additional requirements would be flexibility with her current schedule. 2) to have Jen Goss, Norton's assistant, and Norton manage this program. Additional staffing would have to assist with processing which Goss is currently responsible for. Discussion was held including Tomsu have an assistant much like Goss is to Norton. Collaboration of all youth and children's activities was stressed so a child could move easily from one age group to the next. It was moved by Frederick and seconded by Hoang for staff to have an exploratory committee to look at adding tween and young professional groups. This would include a survey and exploring patron's preferences. Ayes: all. Nays: none. Motion carried.
- b. FY2016 Budget. Barcal shared the budget requests submitted for fiscal year 2016 including additional funding for the Civil Rights programming in October and November, adding the Rocket language database to be compared to the library's Mango language database, and replacing Zinio with Flipster for electronic magazines,
- c. End of FY2015. The library's purchase orders are being closed out. All purchase orders are closed at the end of the fiscal year to make way for the new fiscal year.
