## **Sarpy County Multi-Agency DUI Task Force Start of Summer Impaired Driving Enforcement**

The Sarpy County Multi-Agency DUI Task Force, a partnership between the La Vista, Papillion and Bellevue police departments and the Sarpy County Sheriff's Office, will have officers working extra hours during the month of June, focused on the detection and apprehension of impaired drivers. Officers will be using high visibility patrols in Sarpy County throughout the month.

The goal of the Task Force operation will be to encourage those who consume alcohol to designate a driver or make other arrangements to get home safely, not only during this enforcement period, but for the entire summer. The Task Force will also focus on educating the public on the dangers of driving impaired in an effort to reduce alcohol related crashes and fatalities.

Drivers should also consider using the "I Care Cab Fare" program designed by The Sarpy County Sheriffs Office and The Nebraska office of Highway Safety. Visit [www.happycab.com/icare](http://www.happycab.com/icare) for details.

The task force agencies participating in this impaired driving enforcement operation are funded through a grant from the Nebraska Office of Highway Safety.
