La Vista Click It or Ticket Results

The La Vista Police Department recently concluded a special enforcement campaign targeting safety belt and child restraint violations.

The Click It or Ticket operation concluded June 5 and involved a total of 28 hours worked by officers, during which time a total of 39 traffic contacts were made. A nine percent increase in seatbelt use was recorded based on pre and post enforcement surveys.

The enforcement campaign was designed to enhance motorist's awareness of safety belt and child restraint laws. The additional patrols were funded through a grant from the Nebraska Office of Highway Safety.
