Sarpy County Multi Agency DUI Taskforce Impaired Driving Enforcement Results

The Sarpy County Multi-Agency DUI Taskforce recently completed an Impaired Driving Enforcement operation during the month of June. The focus of this operation was to detect and apprehend impaired drivers through high visibility patrols in Sarpy County. The Taskforce also focused on prevention, encouraging drivers to make other transportation arrangements if alcohol is involved in summer time events. La Vista and Bellevue Police along with the Sarpy County Sheriff's Office participated in the operation.

Taskforce officers working high visibility enforcement resulted in two arrests for driving under the influence of alcohol, four citations for Driving during Suspension, two citations for Possession of Marijuana and two outstanding arrest warrants. Taskforce officers also issued 25 traffic citations and 72 warnings during the operation.

The operation was funded through a Nebraska Office of Highway Safety grant.
