La Vista Click It or Ticket Results

The La Vista Police Department recently concluded a special enforcement campaign targeting safety belt and child restraint violations.

The Click It or Ticket operation concluded November 27 and involved a total of 24 hours worked by officers, during which time a total of 73 traffic contacts were made, including 5 citations for safety belt violations. A post enforcement survey revealed a 91% safety belt usage.

The enforcement campaign was designed to enhance motorist's awareness of safety belt and child restraint laws. The additional patrols were funded through a grant from the Nebraska Office of Highway Safety.
