Adult Softball season began on June 18 for the senior Mon/Wed evening and Friday morning leagues as well as the new Adult Thursday night double header league. Rather than these leagues having a separate summer and fall season we have just combined them into a season that runs from June 18 through the middle of October.

Youth Fall Flag Football season started on August 8 and will run 8 weeks. Numbers are down considerably due to Covid-19 for La Vista as well as Papillion Rec. Offutt Youth Recreation chose not to play this fall. We were down from 111 players last fall to 68 players this fall.

3-Year Old Fall Soccer Clinic was cancelled due to lack of participation and Covid-19.

Youth Fall Soccer Academy and League began on Sept 8. Participation is down due to Covid-19. We had 38 participants this fall compared to 67 last fall. After talking to several other soccer associations, they have seen a large decrease in participation numbers due to Covid-19.

Fall Adult Volleyball League -Further internal discussions are needed to determine if the gym will be open and available for us to offer this league. Registration is scheduled to begin in September with the league starting on September 23.

Fall Youth Coed Volleyball registration is open for 3rd – 8th grade boys and girls. Final registration deadline is October 5. Games will begin in November. We will partner with BJSa for this league as we have done in the past.

Winter Youth Basketball: Discussions will be taking place soon to determine if/how Covid-19 will impact this league. Internal discussions as well as discussions with PRO, who we partner this league with, will be held.

- 427 seniors participated in various recreation activities.

The seniors continued to practice social distancing during our programs, which included:

- Adopt a Senior Program,
- A Senior and Soldiers Pen-pal program,

- a few themed Jingo games.

We also had entertainment in August, including Merrymakers Joyce Torchia on August 13th, Denell Danner on August 19th, and also a new program ***Movies and Popcorn***, with the "Age of Adeline" and "Hamilton" being the two movies that were watched by several of the seniors.

Chairperson Lodes asked if the seniors were coming in to pick up their lunches. Stanley stated that no, they were still driving up on the north side of the building to get their lunches. He then asked about the Merrymaker's concerts in the gym. Stanley said the seniors sit in chairs 6' across, and wear masks. The entertainer does not wear a mask, but he/she is set up to perform quite a distance away from the seniors.

Ryan South, Operations Manager

Ian Parker is our newest employee at the Community Center. He has filled the role of Custodian, a new position at the Center. It is a part time position, from 7:30am-12:30pm. Ian is going to school to become a mechanic/welder, so the possibility of moving on within the City after school will be a possibility for him.

Member Kupfer asked if we were still following the criteria in the Directive Health Measure given by the County and State. South said yes, we do try to follow their guidelines, but also adapt to cater to our own facility. We may follow some of our own restrictions, even though the County and State may have lifted them.

Member Mechels-Struby asked if the gym was going to be open. South said the only program that has been scheduled so far is Women's Volleyball beginning next Wednesday, September 23rd. The City meetings have been held in the gym with Covid-19 and social distancing. However, beginning in October, the City meetings will be held at the City Council chambers again. Discussion will be held on who will be able to utilize the Center beginning in October, hour changes etc.

Rob George, Parks Foreman

George reported that the joint Fall Cleanup for the Cities of La Vista and Papillion, which was cancelled in the Spring due to the pandemic, is scheduled for the week of October 19-25 from 7am-5pm each day at 99th Circle and Portal Road, on the south side of the road just east of Papillion Public Works.

COMMENTS FROM COMMITTEE MEMBERS

Member Mechels-Struby asked if there was any updates on the pool. Stopak said that since the presentation to the Mayor and City Council from Waters Edge on August 18 there has been no action taken.

Mechels-Struby asked if the Advisory Board was expected to have input about the pool and parks. Stopak said that the Park and Recreation Advisory Board will be involved and will be able to provide input on all things related to Parks and Recreation.

Chairperson Lodes stated that he felt that was what the Board was for, to be an advisory committee before subjects were decided upon. Lodes said he felt that the Board was not involved with the pool project as much as they should have been and was disappointed. Stopak said the Board is here to provide input and advise on all things related to Parks and Recreation.

Member Mechels-Struby made a motion for adjournment. Seconded by Member Jones. All ayes. Absent: Moyer. Motion carried. Adjourned at 6:30 p.m.
