# La Vista planning end of summer festival on Friday, August 6

## Celebrating La Vista from a different perspective this year

La Vista's annual festival was unexpectedly abbreviated this past Memorial Day weekend, but in its place the City has been working to create an event that will end the summer in style!

This unique, end of summer event is a celebration of the community spirit found in La Vista.

It is a celebration of the place so many call, Home Sweet Home, and will feature a concert, community cookout, tons of inflatables and yard games, car show and fireworks show.

This free event will take place on Friday, August 6, on the City Hall Campus and at La Vista Keno. The schedule of events includes:

- Car Show & Beer Garden at La Vista Keno
- Inflatables and yard games
- Vendors with snacks available for purchase
- Community Cookout (hamburgers, hot dogs and chips)
- Concert by Diamond Empire
- Fireworks Show (Central Park Lake)

Parking for this event will be available in the street on Park View Boulevard as well as via shuttle bus from two locations: La Vista City Park Ballfields (7629 Josephine St.) and La Vista City Centre Parking Garage (8121 City Centre Dr.). Parking at the shuttle stops is free and the buses will run continually for the duration of the event until after the fireworks show.

Event participants are encouraged to bring their own lawn chairs. The fireworks show will be shot from Central Park Lake and can be viewed from the event site on the City Hall Campus (a map is attached for reference).

So that we may provide the safest event possible, COVID-19 precautions will be in place that include spacing activities as much as possible; requiring unvaccinated employees and volunteers to wear a mask; conveniently locating hand sanitizer and providing masks for anyone who needs one.

We are also partnering with the Sarpy/Cass Department of Health to offer free COVID vaccines at the event.
