The programs and activities we will feature:

- Virtual-Only Activities
- Hybrid Activities, where people can join us Live or Virtually.
- In-person Only activities.

Our first video featured our first Hybrid Activity, which was our Dinosaur Day on Tuesday, June 8<sup>th</sup>. It started with a “live online” or in-person story time here on the City Hall campus at 10:00 a.m. followed by in-person activities at the library, which started at 2:00 p.m.

A second, Virtual-Only video on how to make Kindness Rocks aired on Friday, June 4<sup>th</sup> and a third video was released before our first Concert in the Park on Friday, June 11<sup>th</sup>. The concert was held at a new location this year, near the trail head and small pond in Central Park at 7:00 p.m. and featured the country band *Silas Creek*.

### **Events:**

- **SlumpBuster Youth Baseball Tournament:** Tournament runs from June 19 through June 27 on La Vista fields as well as Council Bluffs and many other Omaha fields. There are approximately 400 teams in this year's tournament. The 2020 tournament was cancelled due to Covid. 2019 had over 700 teams in the tournament. The numbers are down this year due to Covid, and due to CWS initially stating fans would not be allowed at games during the times teams were registering for this tournament. CWS games are a major reason teams get in the Slumpbuster tournament as they can usually go to the games after they play their games. Since then, the CWS has opened up the tournament to fans, so the players will be able to attend if they choose to, however, it was too late for the others to register for the tournament.

## **PUBLIC WORKS PARKS DEPT.**

### **Submitted by Jason Allen, Parks Superintendent**

- Allen reported that the landscaping at the Blue Star Memorial was finished in time for the Hometown Heroes ceremony, which took place on May 27. He also stated that they were working on getting more benches for the area that would be in the theme of the armed forces.
- Allen said all 8 trees for the Commemorative Tree program have been planted. There are 5 more applications that have recently come in and will be planted. He stated that the City also planted a tree in honor of Officer Jamie Brown's daughter, Allicyn, who recently passed.
- At the City Council meeting this past Tuesday evening, the Mayor and City Council Council decided that they did not want temporary fencing for the "temporary" dog park that will be going up behind the library. We will be going to go out for bids in order to get the best price we can.

Chairperson Lodes asked Superintendent Allen if the dog park was still going to be permanent? Allen said it still would be considered temporary even if it has permanent fencing. There isn't much more to tear that out than if it is the temporary fencing. And, it could become permanent if it is popular with the residents and works out in that area.
