**PRESS RELEASE**

FOR IMMEDIATE RELEASE

4/6/2022

## Terrilyn Quick Appointed to Fill City Council Ward I Vacancy **Will be sworn in on April 19**

At its meeting last night, the La Vista City Council approved the appointment of Terrilyn Quick to fill the Ward I seat vacated recently by Mike Crawford, who resigned due to health concerns.

Mayor Douglas Kindig interviewed three candidates for the vacancy.

“While all three candidates brought their own unique strengths and opinions, it is my very strong belief that appointing Terrilyn Quick to fulfill the remainder of this vacant term is the strongest choice,” said Mayor Kindig.

Quick has served on the City Council in Ward II since 1986. Recent redistricting moved her to Ward I and she preferred not to run a campaign in a new ward against a fellow council member.

“The City Council works hard to serve the entire community, not just our specific wards, so I am thankful for the ability to continue serving the residents of La Vista in this capacity,” Quick said. “I look forward to getting to know my new constituents.”

The appointment of Quick to the Ward I seat creates a vacancy in Ward II for a term expiring in December 2022. At the next City Council meeting on April 19, Quick will take the oath of office for her new seat and the council will declare the vacancy.
