(5) A statement setting forth all agreements and understandings, whether written, oral, or implied, existing between the applicant and any person, firm, or corporation with respect to the proposed franchise or the proposed operation. If a franchise is granted to a person, firm, or corporation posing as a front or as the representative of another person, firm, or corporation, and such information is not disclosed in the original application, such franchise shall be void *ab initio* and of no force and effect whatsoever.

(6) A balance sheet of applicant prepared by a certified public accountant, or person otherwise satisfactory to the Council, showing applicant's financial status as of a date within six months prior to the date of the application. The applicant shall also furnish evidence satisfactory to the city of financial ability to complete the construction and installation of the proposed Cable System.

(7) The Council may at any time demand and applicant shall provide such supplementary, additional, or other information as the Council may deem reasonably necessary to determine whether the requested franchise should be granted.

(8) There shall be no requirement for local ownership or investment in franchise applicant, and no preference shall be given to any applicant by reason of local ownership or investment in the applicant.

(9) A copy of the contract form that applicant intends to have subscribers execute in connection with the extension of service to their residences.

(10) A statement in affidavit form that no Mayor, City Council member, or member of any committee created by the city to advise in respect to or monitor cable television franchises, or any City Administrator, or City Attorney, or any member of their immediate families, directly or indirectly owns any pecuniary interest in applicant or in any parent, affiliated, or subsidiary corporation of applicant or in any entity having a partnership, joint venture, or other proprietary relationship with applicant.

(Ord. 807 § 10-802, passed 5-16-00)

### **§ 115.003 GRANTING CONDITIONS OF A CERTIFICATE OF FRANCHISE.**

(A) The franchising authority by issuance of a certificate grant to the franchisee a nonexclusive franchise which authorizes the franchisee to construct, install, operate, and maintain a cable system in, along, upon, across, above, over, or under the public rights-of-way within the franchise area and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in, on, over, under, upon, across, or along any public rights-of-way and all extensions thereof and additions thereto such poles, wires, cables, conductors, ducts, conduits, vaults, manholes, pedestals, amplifiers, appliances, attachments, and other related property or equipment as may be necessary or appurtenant to the cable system, subject to the terms and conditions of this chapter.

(B) The franchisee shall not originate any programming to provide a news service on any cable television channel carried on the franchisee's facilities, unless the franchisee makes available within its channel capacities the equal opportunity to news service media to carry similar originated programming on a reasonable contract basis, which shall include consideration of availability of time and rates for such service in other similar communities. The offering of a time and/or weather service shall not be deemed or considered as program origination of news service for the purpose of this chapter.

(C) (1) Nothing in this chapter or in the granting of any certificate shall:

(a) Abrogate the right of the franchising authority, to perform any public works or public improvements of any description;

(b) Be construed as a waiver of any codes or ordinances of the franchising authority or of the franchising authority's right to require the franchisee or any person utilizing the cable system to secure the appropriate permits or authorizations for such use;

(c) Be construed as a waiver or release of the rights of the franchising authority in and to the streets; or

(d) Affect the right of the franchising authority to grant to any person a franchise, consent, or right to occupy and use the streets, or any part thereof, for the construction, operation, or maintenance of all or any part of a cable system within the franchising area or for any other purpose.

(2) No grant of a franchise shall establish any priority for the use of the rights-of-way by the franchisee or by any other current or future franchisee or permit holder. In the event of any dispute as to priority of use of the rights-of-way in the franchising area, the priority shall be determined by the franchising authority in the exercise of its powers, including the police power and other powers reserved to and conferred on it by the state.

(D) A certificate granted under this chapter authorizes the franchisee to use the rights-of-way of the franchising area for the purpose of providing the cable services over the cable system. The issuance of a franchise hereunder is not an agreement, acquiescence, or a waiver of any right, remedy, or defense of the franchising authority with respect to the use of the rights-of-way for purposes other than the operation of the cable system to provide cable services.

(Ord. 807 § 10-803, passed 5-16-00)

#### **§ 115.004 DURATION, RENEWAL, AND ACCEPTANCE OF CERTIFICATE OF FRANCHISE.**

(A) A franchise granted pursuant to a certificate of franchise hereunder shall take effect and be in force after the certificate of franchise is issued by the city and shall continue in force and effect for a term determined by the City Council and Mayor, but in no event longer than 15 years. Subject to Section 626 of the Cable Act, the franchising authority reserves the right to grant or deny renewal of a franchise at the end of a term. In the event a franchisee continues (with permission of the city) to operate all or any part of the cable system after the term of its franchise, then the franchisee shall continue to comply with all applicable provisions of the franchise unless otherwise agreed, including without limitation all compensation and other payment provisions thereof throughout the period of such continued operation, provided that any such continued operation shall in no way be construed as a renewal or other extension of the franchise.

(B) The acceptance of a certificate of franchise by a franchisee will constitute the unconditional acceptance and promise by the franchisee to comply with and abide by all of the provisions, terms, and conditions of this chapter and that the provisions, terms, and conditions of this chapter shall be by reference incorporated into the certificate of franchise as if fully set out therein. In addition the franchisee shall file with the City Clerk its acceptance of the certificate of franchise and its promise to abide by the provisions, terms, and conditions of this chapter in writing duly executed and sworn to by or on behalf of the franchisee before a notary public or other officer authorized by law to administer oaths. Should the franchisee fail to file the written acceptance and promise as above described it shall acquire no rights, privileges, or authority under the certificate of franchise.

(Ord. 807 § 10-804, passed 5-16-00)

#### **§ 115.005 CABLE SYSTEM AND OPERATIONS.**

(A) A franchisee shall construct, operate, maintain, and upgrade the cable system as provided in this chapter. The franchisee shall make cable service available to every person requesting the same at

any location within the franchise area, and no charge shall be imposed on any current or potential subscriber in the franchise area for extending cable service to the requestor's location so long as the requestor is within one mile of the franchisee's trunk or distribution cable and there are at least five residential units within a radius of 500 feet of the requestor's location. In the event a person requesting cable service is beyond the area set forth in the previous sentence, the franchisee shall pay the costs of extending the cable system the first 1,000 feet from the point of the franchisee's trunk or distribution cable nearest the requestor's location, and the requestor may obtain service by paying the construction costs to extend the cable system the remainder of the distance to the requestor's location. In any new subdivision or development in the franchise area, the franchisee shall extend or install the cable system no later than the date on which electric or telephone utilities are installed such that the franchisee need only install drops in a dwelling in order to provide cable service in the subdivision or development.

(B) Throughout the term of a franchise, the franchisee shall operate and maintain the cable system in accordance with the testing procedures and the technical performance standards of the FCC in effect from time to time and shall provide to the franchising authority upon request a written report of the results of any testing of the cable system or cable services. Franchisee shall at all times maintain a skilled workforce and inventory of parts that are necessary for the erection, construction, operation, maintenance, and repair of the cable system, and franchisee's performance of any other obligation from time to time under this chapter.

(C) Franchisee shall install and maintain an emergency alert system that meets all requirements of federal law. Upon the request of a subscriber, the franchisee shall make available a device by which the subscriber can block completely the video and audio signals of a particular cable service during periods selected by that subscriber.  
(Ord. 807 § 10-805, passed 5-16-00)

#### **§ 115.006 WORK ON THE CABLE SYSTEM.**

(A) All work involved in the construction, operation, maintenance, repair, upgrade, or removal of the cable system shall be performed in a safe, thorough, reliable, good, and workmanlike manner, applying high standards of engineering and workmanship, and using materials of good and durable quality, and shall meet or exceed:

- (1) All applicable federal, state, or local laws, rules, regulations, ordinances, orders, or codes;
- (2) Safety or industry codes applicable to the work performance or governing those persons performing the work; and
- (3) Requirements of any utility whose poles or conduits are used for the cable system or any part thereof.

(B) If, at any time, it is reasonably determined by the franchising authority or any other agency or authority of competent jurisdiction that any part of the cable system, including without limitation any means used to distribute signals over or within the cable system, is harmful to the health or safety of any person, then the franchisee shall, at its own cost and expense, promptly correct all such conditions. (Ord. 807 § 10-806, passed 5-16-00)

#### **§ 115.007 LICENSES AND PERMITS.**

The franchisee shall obtain all permits, licenses, or other forms of approval or authorization necessary to construct, operate, maintain, repair, or upgrade the cable system, or any part thereof, and shall comply with any other code or ordinance of the franchising authority, as amended from time to time, and obtain any other approval or permission, as required from time to time, for the franchisee to perform hereunder, including but not limited to obtaining any permit that is required prior to use of rights-of-way or commencement of construction. Franchisee shall be subject to all laws, rules, regulations, and orders regarding private property when performing under this chapter. Franchisee shall comply with all applicable zoning or land use ordinances, restrictions, or regulations as may exist from time to time.

(Ord. 807 § 10-807, passed 5-16-00)

#### **§ 115.008 RELOCATION OF LINES.**

(A) If the grades of lines of any street or public right-of-way within the franchise area are changed at any time during the term of a franchise, then the franchisee shall, at its sole cost and expense, upon the request of the franchising authority after reasonable prior notice to the franchisee, protect or promptly alter or relocate the cable system, or any part thereof, as directed by the franchising authority, so as to conform with such new grades or lines. In addition to but not in limitation of the foregoing, the franchisee shall protect, support, disconnect, or remove from the right-of-way any portion of the cable system when required to do so by the franchising authority due to any excavation, construction, repair, maintenance, grading, regrading, installation, vacation, or relocation of any streets, sewers, pipes, or other public facilities, structures, improvements, or work. Furthermore, if a street where the franchisee has lines or other facilities is vacated, eliminated, or closed, the franchisee's rights under this chapter with respect to the street shall terminate upon 30 days notice, and the franchisee shall remove the cable system from the former street unless it obtains easements from property owners permitting the cable system to remain, provided, however, that the franchising authority may reserve easements for the cable system to use the former street to the extent reserved for other utilities. The franchisee shall pay the entire cost and expense of any removal, movement, relocation, installation, or reinstallation of any lines or other facilities hereunder unless it is for the benefit of a private party, in which case the franchisee may charge the private party for actual costs and expenses.

(B) The franchisee shall, upon at least 30 days prior written notice (or such other notice period as agreed to by the parties) to franchisee by the franchising authority of any person holding a permit (including a permit to move a structure) temporarily to move its wires or other equipment. The franchisee may impose a reasonable charge on any person (other than the franchising authority) for any such movement of its wires or equipment and may require payment in advance, provided, however, that the amount charged by franchisee shall not be greater than the franchisee's actual direct costs to carry out the move.

(C) The franchising authority may, in case of fire, disaster, or other emergency situations, as reasonably determined by the franchising authority, cut or move any of the wires, cables, amplifiers, appliances, or other parts of the cable system, in which event the franchising authority shall not incur any liability to the franchisee. When possible, the franchisee shall be consulted prior to any such cutting or movement of its wires and be given the opportunity to perform such work itself. All costs to repair or replace such wires, cables, amplifiers, appliances, or other parts of the cable system shall be borne by the franchisee.

(Ord. 807 § 10-808, passed 5-16-00)

#### **§ 115.009 PROTECTION OF STRUCTURES.**

In connection with the construction, operation, maintenance, repair, upgrade, or removal of a cable system, the franchisee shall, at its own cost and expense, protect any and all existing structures belonging to the franchising authority and all designated landmarks. The franchisee shall obtain the prior approval of the franchising authority before altering any water main, sewerage or drainage system, or any other municipal or public utility structure, improvement, or property. Any such alteration shall be made by the franchisee, at its sole cost and expense, and in a manner prescribed by the franchising authority. The franchisee agrees that it shall be liable, at its own cost and expense, to replace or repair and restore, in a manner as may be specified by the franchising authority, any street or other municipal or public utility structure, improvement, or property that may be disturbed, damaged, or destroyed as a result of any work hereunder or any act, omission, or negligence of franchisee or its designee to as good or better condition as existed immediately before the disturbance, damage, or destruction and to maintain said condition for one year thereafter. Failure of franchisee to effectuate such replacement, repair, or restoration within 48 hours shall authorize the city to cause the proper replacement, repair, or restoration to be made, with the cost thereof to be paid by franchisee upon demand by the city. Franchisee shall erect, install, construct, repair, replace, and maintain the cable system and otherwise carry out its duties under this chapter in a manner that minimizes interference with use of the rights-of-way and the property, inhabitants, and activities in the franchise area and does not unduly burden the present or future use of the rights-of-way. If the franchising authority determines that any portion of the cable system constitutes an undue influence or burden, the franchisee shall at its sole cost and expense modify the cable system or take such other action as the franchising authority determines to remove, eliminate, or alleviate the influence or burden within the period specified by the franchising authority.

(Ord. 807 § 10-809, passed 5-16-00)

**§ 115.010 SAFETY PRECAUTIONS; OTHER PROPERTY.**

The franchisee shall, at its own cost and expense, undertake all necessary and appropriate efforts to prevent accidents at its work sites, including the placing and maintenance of proper guards, fences, barricades, watchmen, and suitable and sufficient lighting. Before entering or performing work on any municipal or private property in the franchising area, franchisee shall obtain the written permission of the property owner. In addition, franchisee shall at its sole cost and expense immediately restore and replace any real or personal property that is disturbed, damaged, or destroyed as a result of any work hereunder or act, omission, or negligence of franchisee or its designee to as good or better condition as such property was in immediately before the disturbance, damage, or destruction and shall maintain said condition for one year thereafter. Failure of franchisee to effectuate such replacement, repair, or restoration within 48 hours shall authorize the city to cause the proper replacement, repair, or restoration to be made, with the cost thereof to be paid by franchisee upon demand by the city. (Ord. 807 § 10-810, passed 5-16-00)

**§ 115.011 TREE TRIMMING.**

Franchisee shall have the authority to trim trees to prevent damage to the cable system, provided, however, that any trimming shall be performed in accordance with governing ordinances and codes, as amended from time to time and, except in the event of an emergency, subject to the prior written approval of the owner of the property on which the trees are located. (Ord. 807 § 10-811, passed 5-16-00)

**§ 115.012 MAPS AND PLATS.**

The franchisee shall make available for inspection by the franchising authority true and accurate maps or plats of all existing and proposed installations and update the same at reasonable intervals so that the franchising authority will at times have access to a current set of such maps and plats. The franchising authority shall provide upon request from the franchisee the boundaries from time to time of the franchise area. (Ord. 807 § 10-812, passed 5-16-00)

**§ 115.013 UNDERGROUNDING OF CABLE SYSTEM.**

For any cable system expansion, the franchisee shall place the cable system lines and equipment underground in localities where both telephone and power lines are underground. For existing facilities (or any other aerial facilities under this chapter), the franchisee shall replace aerial facilities with underground facilities if and when other utilities are required by the franchising authority to place facilities underground. At no time shall the cable system be the only aerial facility. Where underground

is required, the franchising authority shall determine whether utility trenches shall be shared. Franchisee shall place active components, including pedestals and power supplies, underground in areas where similar components of telecommunications providers or other cable providers are required to be underground.

(Ord. 807 § 10-813, passed 5-16-00)

#### **§ 115.014 NO LIABILITY TO FRANCHISEE.**

Neither the franchising authority nor its officers, officials, employees, agents, attorneys, consultants, or independent contractors shall have any liability to the franchisee as a result of or in connection with the protection, movement, removal, alteration, or relocation of any part of the cable system by or on behalf of the franchisee or the franchising authority in connection with any emergency, public work, public improvement, alteration of any municipal structure, or any change in the grade or line of any street, as provided in this chapter.

(Ord. 807 § 10-814, passed 5-16-00)

#### **§ 115.015 GOVERNMENTAL PROGRAMMING, CAPACITY, DESIGNATIONS, AND ADDITIONAL CHANNELS.**

(A) The franchisee shall designate channel capacity on the basic service tier for governmental programming to be provided by the franchising authority or its designee (which programming may be provided pursuant to an interlocal cooperation agreement in conjunction with one or more of Ralston, Papillion, or Bellevue, or a board or committee of representatives authorized by said municipalities and the franchising authority). The franchisee shall initially designate two channels for governmental programming. Except as otherwise provided by law, the channels and any programming thereon shall be under the exclusive management and control of the franchising authority or its designee and shall be used solely for governmental programming.

(B) The franchisee shall have sole discretion to make channel number assignments for governmental programming channels. In the event the franchisee is required by federal law or regulations to change the channel number of a governmental programming channel, the franchisee shall provide 30 days advance notice to the franchising authority and its subscribers. Should franchisee decide to change the channel number for any other reason, the franchisee shall notify the franchising authority of such change and the reason for the change at least 30 days prior to the proposed change.

(C) The franchisee shall make available up to one additional governmental programming channel to the franchising authority under such circumstances and on such terms and conditions as specified by the franchising authority. The maximum number of governmental programming channels which may be required of a franchisee under this chapter shall be three.

(Ord. 807 § 10-815, passed 5-16-00)

**§ 115.016 GOVERNMENTAL PROGRAMMING; USE OF UNUSED CAPACITY.**

Whenever any governmental programming channel is programmed for less than eight hours per day, six days per week, for a continuous period of not less than 26 consecutive weeks, the franchising authority may permit the franchisee to utilize unused channel capacity on that channel, subject to such rules and procedures as specified by franchising authority from time to time. Any request from the franchisee to use any fallow capacity designated for a governmental programming channel must be submitted in writing to the franchising authority for approval. After approval, the franchisee may continue to utilize the unused capacity of the channel for any other purposes it so chooses, consistent with the franchise, until the franchising authority determines that all or a part of such channel capacity is needed for governmental programming. The franchisee shall relinquish use of the channel back to the franchising authority. This provision shall not be construed to require the franchising authority to rearrange or reschedule any programming upon said channel.  
(Ord. 807 § 10-816, passed 5-16-00)

**§ 115.017 RATES, FEES, AND CHARGES.**

(A) The franchising authority reserves the right to regulate the franchisee, the cable system, and the rates, fees, charges, deposits, and associated terms and conditions for cable service (or for related equipment or services such as equipment rental, deposits, and downgrade fees) provided pursuant to this chapter to the fullest extent permitted by applicable law, as amended from time to time, and the franchising authority may, in connection with any such regulation, establish rules and regulations from time to time to the extent permitted by such applicable law. In connection with such regulation, the franchising authority shall comply with FCC rules as amended from time to time and provide the public with an opportunity to comment.

(B) (1) The franchisee shall not discriminate between or among any residential subscribers in the rates, terms, and conditions for any cable service, provided that the foregoing requirement shall not prevent (to the extent otherwise permitted by applicable law) the use of:

- (a) Short-term sales promotions and other short-term discounts or reduced charges;
- (b) Reasonable discounts or reduced charges to senior citizens or economically disadvantaged groups; or
- (c) Bulk rate arrangements.

(2) Nothing in this section shall be construed to prevent the franchisee from individually negotiating the rates, terms, and conditions of cable service provided to nonresidential customers. Notwithstanding the foregoing, franchisee shall not deny service, deny access, or otherwise discriminate on rates or any other terms or conditions of cable services (or any related service provided by franchisee)

on the basis of race, color, creed, religion, ancestry, national origin, sex, disability, age, familial status, marital status, income level, demographics, status with regard to public assistance, or location within the franchise area.

(C) Before any new or modified rate, fee, charge, deposit, or associated term or condition for cable service may be imposed, the franchisee must provide notice to the franchising authority of the change and notify affected subscribers. Submission of a franchisee rate card which reflects all current rates, fees, charges, deposits, and associated terms and conditions will satisfy the requirements of this section.

(D) In the event that:

(1) The franchisee offers one or more cable, internet-related, telecommunications, or any other (cable or non-cable) service on a bundled basis (such that more than one service is provided at a single, combined, discounted or special fee);

(2) At least one of such bundled services is a cable service under this agreement; and

(3) Revenues received by franchisee on at least one service provided in the bundled arrangement is not subject to any fee or tax to the franchising authority or is subject to a different rate of fee or tax to the franchising authority than is provided for under this chapter on cable services, then any discount of fees or charges of franchisee to subscribers or customers obtaining bundled services shall be applied either proportionately to the fee of each service provided under the arrangement, such that it is not applied disproportionately to cable services provided under this chapter, or equally to all services included in the bundle, as agreed in writing between the franchisee and the city.

(Ord. 807 § 10-817, passed 5-16-00; Am. Ord. 1204, passed 1-17-12)

To the extent permitted under federal law, franchising authority reserves the right to amend or revise the standards referred to herein from time to time.

(Ord. 807 § 10-818.1, passed 5-16-00)

(Ord. 807 § 10-818.2, passed 5-16-00)

**§ 115.032 BILLINGS.**

Franchisee shall not assess any charges for late payment earlier than 21 days after a bill is mailed to a subscriber. Charges for late payment shall be no greater than an amount needed to reimburse the franchisee for additional costs incurred because of the subscriber's delay in payment and, in any event, shall not exceed \$1 unless otherwise authorized by the franchising authority.

(Ord. 807 § 10-818.3, passed 5-16-00)

**§ 115.033 SERVICE CALLS.**

Franchisee shall require any person providing services in the community for or on behalf of franchisee to wear a uniform with a clearly visible franchisee logo and identification badge bearing the name and picture of the person wearing the same. Franchisee shall account for all identification badges and uniforms at all times. Franchisee vehicles used for service calls shall be clearly marked with a visible franchisee logo. Franchisee shall not charge any subscriber for any service call unless it is established that the required service is a result of negligence of or malicious destruction of cable equipment by the subscriber or a problem that did not originate with the cable system.

(Ord. 807 § 10-818.4, passed 5-16-00)

**§ 115.034 DISCONNECTION.**

(A) Franchisee shall promptly disconnect cable service upon and, as of the effective date specified in, a request of any subscriber. If no effective date is specified in a request, service shall terminate effective the day following the day the request is received by the franchisee. Franchisee shall not charge for any cable services after the effective date of termination of service.

(B) Franchisee may disconnect cable services to a subscriber:

(1) Forty-five days after payment is due so long as franchisee provides at least ten days advance written notice to the subscriber specifying the date that service will terminate (except cable service shall not be disconnected in the event nonpayment is due to a bona fide dispute regarding the subscriber's bill); or

(2) At any time that the franchisee reasonably and in good faith determines that the subscriber tampered with or abused the franchisee's equipment or the cable system or is stealing cable services, or determines that wiring on the premises (not provided by franchisee) violates FCC standards.

(Ord. 807 § 10-818.5, passed 5-16-00)

**§ 115.035 INFORMATION TO SUBSCRIBERS.**

Franchisee shall provide to subscribers upon request or installation of cable services, and in any event at least annually, a written description in easily understandable language of cable services (and any related services) offered, all rates, prices, fees, and charges for or in any way related to cable services, installation and maintenance policies and procedures, instructions on the use of cable services, billing and complaint procedures, and the designation of programming to channels.  
(Ord. 807 § 10-818.6, passed 5-16-00)

**§ 115.036 CUSTOMER CONTACTS.**

Franchisee shall maintain within a seven-mile radius of city hall of the franchising authority (or at such other location as agreed to by the franchising authority and franchisee) a local office serving the franchising area, for the purposes of receiving payment of bills, receiving and responding to service requests, receiving and resolving subscriber complaints and similar matters. Franchisee also shall maintain a local toll-free telephone service for responding to subscribers. The office shall be open to the public and the telephone service available during normal business hours. Franchisee shall maintain for a period of three years a record of each subscriber complaint, response thereto, and resolution thereof which shall be available for inspection by the franchising authority at the franchisee's local office during normal business hours. In addition, upon request by the franchising authority, franchisee shall provide reports of customer service performance, including the number of telephone calls received and franchisee's resolution of the same, to the extent permitted by applicable law.  
(Ord. 807 § 10-818.7, passed 5-16-00)

**§ 115.037 SERVICE INTERRUPTIONS.**

Franchisee shall interrupt cable service only for good cause, unless otherwise permitted under applicable law. Franchisee shall minimize the scope, degree, and duration of any interruption. In the event of any foreseeable interruption of cable service, franchisee shall give the franchising authority advance written notice of the same, except in the event the interruption is pursuant to a test required by the FCC. Franchisee shall credit subscribers pro rata for any cable services not received during an interruption. To minimize any service interruptions due to loss of electric power, franchisee shall maintain a backup power source sufficient to operate the cable system for up to four hours if there is a loss of conventional electric power.  
(Ord. 807 § 10-818.8, passed 5-16-00)

As compensation for the use of the public rights-of-way, the franchisee shall pay to the franchising authority the amounts set forth herein. The franchisee shall pay to the franchising authority a franchise fee equal to 5% of Gross Revenue. The 5% franchise fee includes compensation for right-of-way use by the franchisee. All such payments of franchise fees shall be made on a quarterly basis, not later than 45 days after the last day of each calendar quarter and shall be remitted simultaneously with a report setting forth the gross revenue for the period ending on the last day. Any amount not paid when due hereunder shall accrue interest at the rate of 10% per annum, compounded monthly.

(Ord. 807 § 10-819, passed 5-16-00)

#### **§ 115.051 ACCEPTANCE OF PAYMENT NOT A RELEASE OF CLAIM; AUDITS AND RECOMPUTATIONS.**

No acceptance of any franchise fee payment by the franchising authority shall be construed as an accord and satisfaction that the amount paid is in fact the correct amount or a release of any claim that the franchising authority may have for further or additional sums payable or any other claim under this chapter, and all amounts paid shall be subject to audit and recomputation by the franchising authority. If an audit and recomputation reveals that franchise fees for any quarter were underpaid by greater than 10% , then franchisee shall pay the cost of such audit and recomputation.

**FIRE WATCH.** A condition beyond normal staffing, undertaken when any required fire alarm system is out of service for more than four hours in a 24-hour period, requiring the assigning of additional personnel to walk the affected areas. **CHAPTER 117: ECONOMIC DEVELOPMENT PROGRAM**

**§ 117.01 ESTABLISHMENT.**

An Economic Development Program is hereby established for the City of La Vista, Nebraska, as authorized by the Local Option Municipal Economic Development Act, Neb. RS 18-2701 et seq. ("Act").  
(Ord. 921, passed 12-2-03)

**§ 117.02 STRATEGY.**

The Mayor and City Council find and determine as follows: Community and economic development is essential to the vitality, strength and economic well being of the city. There is a high degree of

competition among states and municipalities to provide incentives for businesses or services to locate or expand in or near their respective jurisdictions. The community and economic development strategy of the city is to be positioned to quickly and effectively compete for quality community or economic development opportunities. The strategy further includes lowering the property tax burden by the expansion of the property and sales tax bases through public investment in the local economy as a result of the Economic Development Program.

(Ord. 921, passed 12-2-03)

### **§ 117.03 PURPOSE.**

The purpose of this Economic Development Program is to give the city the flexibility to quickly respond to desirable opportunities for community or economic development using funds raised from local sources of revenue to provide incentives or investment in the La Vista community or its infrastructure for the location or expansion of services or businesses or rehabilitation of residential neighborhoods in or near the city. The intent and goals of the city in establishing an economic development program are to ultimately increase the overall community tax valuation, create jobs and generate employment opportunities within the La Vista area, attract new investment capital to the community, develop tourism opportunities, broaden the tax base, support or capitalize on La Vista's existing or future commercial developments, rehabilitate residential neighborhoods, expand industrial development and/or increase economic diversification, stability and vitality for the City of La Vista and the surrounding area.

(Ord. 921, passed 12-2-03)

### **§ 117.04 DURATION.**

The Economic Development Program established by this chapter shall be in existence for a period of 25 years beginning on October 1, 2004 and ending on September 30, 2029. Before October 1, 2004, the Mayor and City Council, Plan Administrator and/or committees created under this chapter shall be authorized to plan and prepare for economic development opportunities and activities, so long as any economic development incentive, assistance, appropriation or funds raised from local sources of revenue does not commence earlier than October 1, 2004. Revenue to fund this Economic Development Program shall be established annually during the Program by the Mayor and City Council as part of the city operating budget and the amount appropriated in any year will not exceed the applicable statutory limitations described elsewhere below. The Mayor and City Council may allocate such funds from the existing 1% local option sales tax or property taxes. The Mayor and City Council shall have authority to extend the program beyond September 30, 2029 for one or more years as they determine in their sole discretion advisable to appropriate any unexpended funds that were collected from local sources of revenue and deposited in the Economic Development Fund before October 1, 2029 or earnings thereon.

(F) All recommendations of the Application Review Committee for approval of an application shall be submitted to the City Council for consideration of approval and funding. The City Council may modify the application and selection process provided in this section from time to time as determined necessary or appropriate.

(Ord. 921, passed 12-2-03)

**§ 117.17 DISCLOSURE OF CONFIDENTIAL INFORMATION.**

(A) The Program Administrator, members of the Citizen Advisory Review Committee or members of the Application Review Committee may be permitted access to business information received by the city in the course of its administration of the Economic Development Program, which information would otherwise be private, proprietary or confidential:

(1) Under Neb. RS 84-712.05,

(2) By agreement with a qualifying business submitting an application under or participating in the Economic Development Program, or

(3) Under any ordinance of the city providing access to such information to the Program Administrator or members of either Committee and guaranteeing the confidentiality of such information received by reason of its administration of the Economic Development Program.

(B) Neither the Program Administrator nor any member of a Committee shall divulge any such information to any other person or entity, except as required by law.  
(Ord. 921, passed 12-2-03)

**§ 117.18 ADMINISTRATION SYSTEM.**

(A) It is important to have a clearly defined administration system for the Program. It is the intent of the Program that the majority of the funds be used for eligible activities and a relatively smaller portion on administration of the Program. A description of the administration of the Program is below. The city is authorized to provide for any additional responsibilities or positions from time to time as may be needed to carry out the Program.

(B) *Program Administrator.* The City Administrator shall be the Program Administrator. The duties of the Program Administrator include:

(1) Administration of the Program.

(2) Serve as an ex-officio but non-voting member of the Citizen Advisory Review Committee.

(3) Assist the Citizen Advisory Review Committee and provide it with necessary information and advice on the Program.

(4) Track employment figures for participating businesses for two years if businesses employ persons in other Nebraska communities.

(5) On a regular basis review whether qualifying businesses are carrying out their responsibilities under the Program and following the applicable agreements, laws and regulations.

(C) The Program Administrator may from time to time designate such individuals or, with approval of the Mayor and City Council, contract with outside entities, and delegate such responsibilities, duties or tasks to said individuals or entities that she determines necessary or appropriate to administer the Economic Development Program.  
(Ord. 921, passed 12-2-03)

**§ 117.19 LEGAL ASSURANCES.**

The city will endeavor to comply with applicable laws, regulations and requirements, which will be facilitated through the checks and balances built into the Program pursuant to Nebraska statute, including:

(A) The Citizens Advisory Review Committee is responsible for periodically meeting, reviewing the functioning of the Program and advising the governing body of the city with regard to the Program. At least one of the members of the Committee will have expertise or experience in business finance or accounting. It is anticipated that others on the Committee will have expertise or experience that will assist the city comply with applicable requirements. The makeup of the Committee pursuant to Neb. RS 18-2715 decreases the likelihood of conflicts of interest on the Committee with others related to the program and increases the opportunity for objectivity in carrying out Committee duties.

(B) The Program Administrator will provide ongoing oversight in the administration of the program.

(C) The city will have the Program annually audited by an outside, independent private auditing business, the results of which will be filed with the City Clerk and made available for public review during normal business hours. The city also will have access to applicant and recipient books and records.

(D) Funding awards and annual appropriations for the program require City Council approval.

(E) The City Attorney will provide desired consultation to the City upon request regarding significant changes to the Local Option Municipal Economic Development Act.  
(Ord. 921, passed 12-2-03)

**§ 117.20 AMENDMENT.**

The Mayor and City Council may amend this chapter:

**La Vista - Business Regulations**

(A) From time to time to conform to the provisions of any existing or future state or federal law,

(B) After notice, at least one public hearing, and a 2/3 vote of the members of the city's governing body, when necessary to accomplish the purposes of the original enabling resolution, or

(C) As otherwise permitted from time to time by applicable law.

**§ 118.01 FRANCHISE GRANTED.**

The City of La Vista, Nebraska, (hereinafter referred to as "city") hereby grants a non-exclusive franchise to Aquila, Inc, d/b/a Aquila Networks, a Delaware corporation, (hereinafter called "grantee"), its lessees, successors and assigns. Grantee is hereby granted the right, privilege, franchise, permission and authority to lay, construct, install, maintain, operate and extend in, along, over or across the present and future streets, alleys, avenues, bridges, public rights-of-way and public places as are now within the

present or future limits of said city, a natural gas distribution system and all facilities necessary for the purpose of supplying natural gas or processed gas for all purposes to the inhabitants of said city and consumers in the vicinity thereof, and for the distribution of natural gas from or through said city to points beyond the limits thereof. Such facilities shall include, but not be limited to, all mains, services, pipes, conduits and appliances necessary or convenient for transmitting, transporting, distributing and supplying natural gas for all purposes for which it may be used, and to do all other things necessary and proper in providing natural gas service to the inhabitants of city and in carrying on such business. The laying or installation of additional pipe within the city and its extraterritorial zoning jurisdiction shall require a right-of-way permit for that purpose.

(Ord. 974, passed 12-6-05)

### **§ 118.02 TERM.**

The franchise granted under this chapter shall remain in effect for a period of 25 years from the effective date of this chapter, as determined pursuant to state law; provided, however, that city or grantee may terminate this chapter on the tenth anniversary of the effective date of this chapter, and every five years thereafter until the franchise term expires. City or grantee shall notify the other party in writing, no later than 180 days before the end of the initial term or each five-year anniversary thereafter that city desires not to renew the franchise.

(Ord. 974, passed 12-6-05)

### **§ 118.03 GOVERNING RULES AND REGULATIONS.**

(A) The franchise granted under this chapter is subject to all conditions, limitations and immunities now provided for, or as hereafter amended, and applicable to the operations of a public utility, by state or federal law. The rates to be charged by grantee for service within the present or future corporate limits of city and the rules and regulations regarding the character, quality and standards of service to be furnished by grantee shall be under the jurisdiction and control of such regulatory body or bodies as may, from time to time, be vested by law with authority and jurisdiction over the rates, regulations and quality and standards of service to be supplied by grantee. Provided however, should any judicial, regulatory or legislative body, having proper jurisdiction, take any action that precludes grantee from recovering from its customers any cost associated with services provided hereunder, then grantee and city shall renegotiate the terms of this chapter in accordance with the action taken, so as to allow grantee to be made whole economically.

(B) In determining the rights and duties of the grantee, the terms of this chapter shall take precedence over any conflicting terms or requirements contained in any other ordinance enacted by the city. The foregoing notwithstanding, grantee shall be and remain subject to all ordinances, rules, and regulations of the city now in effect, or which city might subsequently adopt, for the regulation of land

uses or the protection of the health, safety, and general welfare of the public; provided, however, that grantee hereby reserves the right to challenge the validity of any ordinance, rule or regulation city passes subsequent to the date of this chapter, and to terminate this chapter upon 90 days advance written notification, if such subsequent ordinance, rule or regulation imposes any material new costs and/or burdens upon the grantee, and provided that nothing herein shall be construed as a waiver by grantee of any of its existing or future rights under state or federal law or a limitation upon the existing or future powers of the city under state or federal law.

(C) If an energy supplier is unable to furnish an adequate supply of energy due to an emergency, an order or decision of a public regulatory body, or other acts beyond the control of the grantee, then the grantee shall have the right and authority to adopt reasonable rules and regulations limiting, curtailing or allocating extensions of service or supply of energy to any customers or prospective customers, and withholding the supply of energy to new customers, provided that such rules and regulations shall be uniform as applied to each class of customers or prospective customers, and shall be non-discriminatory as between communities receiving service from the grantee.  
(Ord. 974, passed 12-6-05)

#### **§ 118.04 LOCATION, CONSTRUCTION AND MAINTENANCE OF COMPANY FACILITIES.**

(A) All mains, services and pipes which shall be hereafter laid or installed under this chapter shall be located in public right-of-way and shall be located and laid so as not to obstruct or interfere with any existing or planned water pipes, drains, sewers, paving or other structures, and all such mains, services and pipes shall be laid in place subject to the reasonable approval of the city or subject to the reasonable approval of such representative as city may from time to time provide. Any pavements, sidewalks or curbing taken up and any and all excavations made shall be done in such a manner as to cause only such inconvenience to the inhabitants of city and to the general public as is reasonably necessary; and repairs and replacements shall be made promptly by grantee, leaving such properties in as good as condition as existed immediately prior to excavation. If grantee does not promptly perform and complete the necessary work to restore the public right-of-way of other public property, and fails to properly restore the public right-of-way within 30 days after receipt of written notice by the city to grantee of the condition, then the city may restore the public right-of-way or other public property. The city may seek reimbursement from grantee for the reasonable expense of restoration for the work performed by the city or its agents.

(B) Grantee agrees that for the term of this grant, it will maintain facilities and equipment sufficient to meet the current and future energy requirements of city, its inhabitants and industries. While constructing and maintaining its facilities and equipment, grantee shall obtain permits as required by ordinance, except that in emergency situations, grantee shall take immediate unilateral actions as it determines are necessary to protect the public health, safety, and welfare; in which case, grantee shall notify city as soon as reasonably possible.

(C) City will give grantee reasonable notice of plans for street improvements where paving or resurfacing of a permanent nature is involved that affect grantee's facilities. The notice shall contain the nature and character of the improvements, the rights-of-way upon which the improvements are to be made, the extent of the improvements and the time when the city will start the work, and, if more than one right-of-way is involved, the order in which this work is to proceed. The notice shall be given to the grantee a sufficient length of time, considering seasonable working conditions, in advance of the actual commencement of the work to permit the grantee to make any additions, alterations, or repairs to its facilities.

(Ord. 974, passed 12-6-05)

#### **§ 118.05 STANDARD EQUIPMENT.**

Grantee, in the construction, operation, and maintenance of the gas system in the city, shall use only pipes, material, and equipment that meet applicable federal, state, and local construction and safety codes. Grantee shall also use reasonably and legally required safety devices to protect the city and its residents from injury as required by federal, state, and local laws and regulations.

(Ord. 974, passed 12-6-05)

#### **§ 118.06 ODORIZING OF GAS.**

Grantee shall odorize, as necessary, the gas provided within the city in accordance with applicable law and regulation.

(Ord. 974, passed 12-6-05)

#### **§ 118.07 EXTENSION OF COMPANY FACILITIES.**

Upon receipt and acceptance of a valid application for service, grantee shall, subject to its own economic feasibility criteria, make reasonable extensions of its distribution facilities to serve customers located within the current corporate limits of city; provided, that the grantee shall not be obligated to construct or extend its mains or furnish gas or gas service within the city if grantee, through no fault of its own, is unable to obtain delivery of an adequate supply of natural gas at or near the corporate limits of city to warrant the construction or extension of its mains; provided, further, that when the amount of natural gas supplied to grantee at or near the city limits is insufficient to meet the additional firm requirements of connected or new customers, grantee shall have the right to prescribe reasonable rules and regulations for allocating the available supply of natural gas for such additional firm requirements to domestic, commercial, and industrial consumers, in that order of priority.

(Ord. 974, passed 12-6-05)

**§ 118.08 RELOCATION OF COMPANY FACILITIES.**

(A) If city elects to change the grade of or otherwise alter any street, alley, avenue, bridge, public right-of-way or public place for a public purpose, grantee, upon reasonable notice from city, shall remove and relocate its facilities or equipment situated in the public rights-of-way, if such removal is necessary to prevent interference and not merely for the convenience of the city, at the cost and expense of grantee. If city orders or requests grantee to relocate its facilities or equipment for the primary benefit of a commercial or private project, or as a result of the initial request of a commercial or private developer or other non-public entity, and such removal is necessary to prevent interference and not merely for the convenience of the city or other right-of-way user, grantee shall receive payment for the cost of such relocation as a precondition to relocating its facilities or equipment. City shall consider reasonable alternatives in designing its public works projects so as not arbitrarily to cause grantee unreasonable additional expense in exercising its authority under this section. City shall also provide a reasonable alternative location for grantee's facilities. City shall give grantee written notice of vacating of a public right-of-way. Vacating of a public right-of-way shall not deprive the grantee of its right to operate and maintain existing facilities, until the reasonable cost of relocating the same are first paid to the grantee.

(B) Any person or corporation desiring to move a building or other structure along, or to make any unusual use of any street, alley, avenue, bridge, public right-of-way or public place which shall interfere with the facilities or equipment of the grantee, shall first give notice to the city and the grantee and a pay a sum sufficient to cover the expense and damage incident to the moving of grantee's facilities and equipment.  
(Ord. 974, passed 12-6-05)

**§ 118.09 INSURANCE.**

(A) Grantee shall maintain insurance at all times during the term of this chapter in an amount not less than the city's maximum liability under the Nebraska Political Subdivisions Tort Claim Act, as amended from time to time, to cover and protect itself and the city as an additional insured from and against all claims, demands, losses, actions, judgments, costs, expenses, and liabilities which may arise or result, directly or indirectly, from or by reason of loss, injury, or damage to the city, its property, employees or agents, or to other persons or their property on account of or arising from the grant or exercise of the franchise granted by this chapter.

(B) In addition to and not in limitation of the foregoing, grantee shall be insured to provide coverage for all foreseeable and unforeseeable risks, injuries and damages, on account of or arising from this chapter and such coverage shall include, but not be limited to the following types:

(1) Insurance which will protect the city from claims arising under workers' compensation law and any similar employee benefit law in such amounts as are required by state and federal statute, and with respect to an employer's liability for workers' compensation;

(2) Bodily injury and property insurance for comprehensive general liability (including explosion, collapse and underground), contractual liability (including that arising from this chapter), personal injury (with employment exclusion deleted), and comprehensive automobile liability (including hired and non-owned vehicles). It is a condition of this chapter that all policies waive governmental immunity as a defense in any action brought against the insured or any other party to this chapter. Upon request by city, grantee shall furnish proof of the insurance required under this section. (Ord. 974, passed 12-6-05)

#### **§ 118.10 ACCEPTANCE OF FRANCHISE.**

Within 60 days after the passage of this chapter, grantee shall prepare and file a written acceptance of the franchise granted under this chapter with the City Clerk. Failure of grantee to so accept the franchise granted by this chapter within said period of time shall be deemed a rejection thereof by grantee and the rights and privileges herein granted shall after the expiration of said period of 60 days, if not so accepted, absolutely cease and terminate, unless said period of time shall be extended by further ordinance duly passed for that purpose. (Ord. 974, passed 12-6-05)

#### **§ 118.11 FRANCHISE FEE.**

(A) Grantee shall pay to the City Treasurer a franchise fee based on a percentage of grantee's gross revenues derived from sales or transportation of natural gas delivered within the city excluding sales or transportation to governmental agencies, departments, or other governmental bodies whether they be federal, state or local. The franchise fee shall be 5% of gross revenues but may be amended by city from time to time to provide for such different rate as city's governing body may determine appropriate. Such franchise fee shall be in lieu of any and all fees and impositions of city based on gross revenues or license fees for the privilege of conducting a gas business within the city. Nothing herein shall be construed to exempt grantee from payment of ad valorem property taxes or taxes in lieu thereof.

(B) Grantee shall pay to the city on or before the 15th day of each month that portion of the fee applicable to gross receipts derived from sales or transportation of natural gas delivered within the city during the previous month. Any amount due which is not paid on or before the prescribed date shall draw interest at 1% per month, and after payment has been in default six months, a penalty of 5% of the amount due, including interest, shall be added thereto in addition to the monthly interest charge.

(C) For purposes hereof, **GROSS REVENUES** shall include all revenues derived from delivery of gas within the City of La Vista which utilize, in whole or in part, any pipes, containers or other equipment or form of delivery or storage over which grantee has any ownership or control. **GROSS REVENUES** shall include revenues derived in third party marketing arrangements, such as "Energy Option Programs" or other arrangements whereby the marketer or seller of the gas is a third party who utilizes grantee's lines, containers, or other method, in whole or in part, to deliver gas within the city. In respect to any such third party arrangements, grantee shall determine the sale price of the gas at the franchise rate and shall remit to city as part of its franchise fee an amount equal to the amount that would have been payable to city had the gas been sold to the consumer directly by grantee.  
(Ord. 974, passed 12-6-05)

#### **§ 118.12 FINANCIAL AND OPERATIONAL RECORD REQUIREMENTS.**

Upon five days' notice, subject to confidential protection, and to the extent permitted by Nebraska law, the books, records, contracts, and other documents directly related to the grantee's franchise and its public right-of-way use shall be open to reasonable inspection by the city, or by any person designated by the city, and grantee shall provide within 30 days following request by the city, or any person designated by the city, all additional relevant information requested by the city or by any person designated by the city. To the extent permitted under Nebraska law, the city shall maintain the confidentiality of all information provided by the grantee that is not in the public domain.  
(Ord. 974, passed 12-6-05)

#### **§ 118.13 TRANSFER.**

(A) The franchise granted under this chapter shall not be sold, leased, granted, conveyed, transferred, hypothecated or assigned to any person or exercised by any person other than grantee without consent from the city, which consent may not be unreasonably withheld, and which consent is subject to the requirements of Neb. RS 66-1820 and 66-1821.

(B) Notwithstanding the restrictions on transfers set forth above, no such consent shall be required whenever:

(1) Grantee has assigned the rights, and obligations under this chapter to an affiliate of grantee; provided that such affiliate has expressly assumed, in a writing delivered to city evidencing its ability to so assume, grantee's obligations and responsibilities under the franchise agreement; provided, further, that grantee shall remain fully liable for and shall not be relieved from the full performance of all obligations under the franchise agreement; or

(2) Grantee has assigned all of grantee's rights and obligations under the franchise agreement to any entity that has acquired, directly or indirectly:

- (a) Control of grantee,
- (b) An entity into which grantee has merged,
- (c) An entity that has acquired all or substantially all of the assets of grantee's Nebraska properties; or
- (d) An entity to which grantee has assigned, transferred, or pledged the rights and privileges under the franchise agreement, for mortgage or otherwise assigned its rights hereunder as security for indebtedness.

(C) The provisions of this section shall be equally applicable to any subsequent assignment or transfer by an assignee or transferee of grantee. No approval or deemed approval of a transfer or assignment of the franchise agreement granted under this chapter shall operate as a waiver or release of the city's right to condemn the system or any part thereof pursuant to Nebraska law.  
(Ord. 974, passed 12-6-05)

#### **§ 118.14 REGULATORY AUTHORITY.**

The city expressly reserves, subject to grantee's express right to challenge the adoption or enforceability of such ordinances, rules, or regulations, the city's right and duty to adopt, in addition to the provisions in this chapter, ordinances, rules, and regulations as the city deems necessary to exercise its police power for the protection of the health, safety, and welfare of its citizens and their properties.  
(Ord. 974, passed 12-6-05)

#### **§ 118.15 CONFIDENTIAL INFORMATION.**

City acknowledges that certain information it might request pursuant to this chapter may be of a proprietary and confidential nature. If grantee requests that any information provided by grantee to city be kept confidential due to such proprietary or commercial value, city and its employees, agents, and representatives shall maintain the confidentiality of that information, to the extent allowed by law. If city is requested or required by legal or administrative process to disclose any such confidential information, city shall promptly notify grantee of such request or requirement so that grantee may seek an appropriate protective order or other relief. City shall use all reasonable efforts to ensure that the confidentiality of grantee's confidential information is maintained.  
(Ord. 974, passed 12-6-05)

**§ 118.16 FORCE MAJEURE.**

(A) It shall not be a breach or default under this chapter if either party fails to perform its obligations hereunder due to *force majeure*. **FORCE MAJEURE** shall include, but not be limited to, the following:

(3) Governmental actions such as necessity for compliance with any court order, law, statute, ordinance, executive order, or regulation promulgated by a governmental authority having jurisdiction; and any other causes, whether of the kind herein enumerated or otherwise not reasonably within the control of the affected party to prevent or overcome.

(B) Each party shall make reasonable efforts to avoid *force majeure* and to resolve such event as promptly as reasonably possible once it occurs in order to resume performance; provided, however, that this provision shall not obligate a party to settle any labor strike.  
(Ord. 974, passed 12-6-05)

**§ 118.17 HOLD HARMLESS.**

Grantee, during the term of the franchise granted under this chapter, agrees to save harmless city from and against all claims, demands, losses and expenses arising directly out of the negligence of grantee, its employees or agents, in the constructing, operating, and maintaining of distribution and transmission facilities or appliances of grantee; provided, however, that grantee need not save harmless city from claims, demands, losses and expenses arising solely out of the negligence of city, its employees or agents.

(Ord. 974, passed 12-6-05)

**§ 118.18 SEVERABILITY.**

If any clause, sentence or section of this chapter is deemed invalid by any judicial, regulatory or legislative body having proper jurisdiction, the remaining provisions shall not be affected.

(Ord. 974, passed 12-6-05)

**§ 118.19 NON-WAIVER.**

Any waiver of any obligation or default under this franchise shall not be construed as a waiver of any future defaults, whether of like or different character.  
(Ord. 974, passed 12-6-05)

**§ 118.20 REPEAL CONFLICTING ORDINANCES.**

This chapter, when accepted by grantee as provided below, shall constitute the entire agreement between the city and the grantee relating to the franchise and the same shall supersede all prior ordinances pertaining to the franchise agreement, and any terms and conditions of such prior ordinances or parts of ordinances in conflict herewith are hereby repealed. Ordinance No. 651, passed June 4, 1996, is hereby repealed as of the effective date hereof.  
(Ord. 974, passed 12-6-05)
