

free concert with **REBEKAH ROLLAND**

Thursday, July 19

5:30 p.m.

As a part of the National Parks Centennial, Rebekah spent time as an Artist in Residence at Homestead National Monument in Beatrice, which asks artists to create art that contributes to the NPS mission of park preservation.

While at Homestead, she created an album of original music inspired by the history of homesteading. She will be performing music from that album at this event!

Join us for an evening of storytelling through song. All ages welcome! Q&A time will follow the concert.
