

# Teen Advisory Board Meeting Minutes

**Location:** La Vista Public Library - Room 142

**Date:** June 30, 2022

**Time:** 5:00 - 5:30 p.m.

**Attending:** Maris, Evangeline, Josh, Katie, Aubrey, Kylie

## Review of Mission Statement

- TAB reviewed the mission statement that they wrote in last spring. They did not see any changes that need to be made. Ms. Ashley will add the mission statement to the library's website on the TAB page.

## Review of TAB Application

- TAB looked over the form for new member applications. They did not see any new changes that need to be made.

## Summer Reading Program Feedback

- Since most TAB members had yet to finish the Summer Reading Program we will take feedback next meeting.
- All TAB members got an extra five tickets for the grand prize raffle baskets. These tickets can be entered in for a drawing of their choice of basket(s).
- TAB members not present will receive their tickets in July or the next time they see Ms. Ashley

## Fall Projects

### a. Decorated Book Stands

- The teen area needs more book stands. Ms. Ashley will be laser cutting some wooden ones that will need painted.

### b. Teen Area Posters/Art

- The teen area and makerspace could use some decoration. We will be painting some canvas to hang up in these areas sometime this fall.

### c. Nerf Lock-In Challenge

- The library will be having a Nerf Lock-In Challenge in the fall. This will be on a Friday after the library has closed. Date to be determined

### d. Other Ideas

- Chalk art in front of the library or in a city park. We could also do a more permanent "obstacle course" with chalk paint if we got prior permission.

- Bookmark making with cardstock and other art supplies. Using the laminator, we could also press flowers and leaves.
- Scavenger Hunt in the kid's area for children. Ghost themed? Will need to talk to Ms. Rachel and see what she would like help with.
- An outdoor scavenger hunt was also suggested.
- Rock painting. We could make a path of colored rocks somewhere outside the library or just do it for fun.
- Air dry clay. We could make sculptures, keychains, or other decorations.

### **Suggestions**

- It was suggested that the library host another fashion crafter's program so teens in TAB can attend. It was decided that we will decorate club t-shirts at the next meeting. Ms. Ashley will be collecting everyone's shirt sizes and getting white t-shirts for each member to decorate.
- It was suggested that we create an email chain with everyone from TAB as not everyone uses the Discord server.

### **For Next Meeting**

- We will be decorating club T-shirts. A white t-shirt, tie-dye, puffy paint, and fabric markers will be provided.
- Choosing dates for our fall events
